

Heather Lynne (Martin) Boucher

August 13, 1970 - September 4, 2022

Heather Lynne (Martin) Boucher bravely fought until The Lord called her home on Sunday September 4, 2022. Our mom, as many of you know, is the best mommy there is. She taught us how to be the best wife, daughter, sister, and friend, and will continue to teach us everyday. Beloved daughter of Mary Anne (Kisselbrack) Lemmerman, she is also known as the 'Princess Warrior.' A Princess Warrior is someone who is selfless, patient, kind, and most importantly loving. One who chooses to face any situation with strength, bravery, and a smile. She will be missed by so many, but will live on in each and every one of us. So when you hear that song, grab your water bottle and dance like no one's watching because she would. We love you more, Mommy. Please come celebrate the life of Heather Lynne (Martin) Boucher at Bates & Anderson-Redmond & Keeler Funeral Home on Friday September 9th from 2:00 pm - 5:00 pm. In lieu of flowers, please donate to AnimalKind or Columbia-Greene Humane Society so she can continue on her mission of loving every animal.

“ I met Heather when she was very young and she would cry when her Mom left -for any reason

I lived next door and would hold her and comfort her so that MaryAnn could take a walk. Became the babysitter and am thankful for the family that came into my life and welcomed we into theirs

Sending love and prayers

“ I worked with Heather at Pattison, Koskey, Howe and Bucci, CPA’s for 7 years. She was always smiling and happy (usually when talking about her amazing, beautiful daughters). She was very helpful when I first joined the firm and always made my days of working there a little brighter! Rest In Peace my friend. The Angels are lucky to have you to brighten the heavens with your smile!!!

“ I met Heather when both our daughters were doing basketball camp in 7th grade . I remember sitting there and she came along sat down next to me and said hi I’m Heather would you like to be friends and I responded of course I’m Candy my daughter is Alyssa and from that day on we became friends.How could you not want to be friends with Heather . Her bubbly personality, contagious smile and she never judge anyone. She was one of a kind thoughtful, full of life, loved her family and friends . She would go out of her way to do anything for anyone. She moved and we didn’t see each other for awhile but when she posted about her journey we reconnected and started to get together for lunches. She shared her journey with me and always had a positive outlook and wasn’t giving in. We did two more lunch outings which we shared memories, laughed and enjoyed each others company .

Heather I will always remember

You always had a smile to share, time to give and time to care

Thank you for sharing your journey

Love you and miss you

“ I'm connected to Frank and Heather through my cousin Ed Bailey. The friendship between Ed and Frank runs deep and for many years....sometimes like Father (Ed) to younger Frank but also as renegades and hunters but for certain a deep kindred spiritual friendship. Getting to know Frank, then Heather and the girls has also been part of the family Labor Day retreat in Pine Plains. I've always looked so forward to getting to know the Boucher family more because of the family connection through cousin Eddy. I had the pleasure to host Heather and Frank in NJ while they were here in NJ visiting their daughter in college. So lovely to see this husband and wife so in love, such a great team and present for each other. Beautiful people. I have profound grief for Frank and his two beautiful, loving daughters to lose Heather...their rock, heart and soul. I hope there will be more opportunities for me to spend time with these three as the years march onward and friendships continue to bond now even deeper. My deepest condolences to the Boucher family with lots of love.

“ I haven’t seen Heather in at least 10 years but her reliable smile is
still vivid in my memory. We were so fortunate to have her working
with us at Berkshire Telephone. I enjoyed our conversations so
much, especially the ones about her girls. My deepest sympathy to
Frank and to Heather’s daughters.

“ Many of my best memories of Heather involve her undeniable ability
to see through the negatives and see the positives, especially in
people. She was in a battle for her life but was always willing to offer
awesome words of encouragement to all of those who needed it.
That girl could also cut a rug, whether it was square dancing in her
barn or dancing on the bar, she was such a fun and free spirited
person. The battle is over, you have run your race...Rest easy
sweet Heather.

“*Heather is someone who you don't come across often. She carried herself and her family with such grace and positivity. Heather always found a way to make me smile even on my darkest days! I grew up with her youngest daughter, Emma. We have been best friends ever sense high school. She always made me feel as if I was her own. I'm eternally grateful for loving me the way she did. For her girls that are near and dear to me I share a quote "A mothers love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness her caring and her wisdom live on- like a legacy of the love that will always be with you. May that love surround you now and bring you peace." Boucher's I love you!*
