“ I'm sorry Heidi. I wish we could have found some way to make things better. Some way you could have received all the love that people felt for you. I hope you are at peace. I think of you often. I wonder what our relationship would have been like now if things were different. You are and will be missed. Your Cousin - Karin

“ I worked with Heidi when I was in high school. She was such a sweet girl with a big heart. We crossed paths again coincidentally a couple of years ago and she was still just as sweet. So many thoughts and prayers for her family, this is truly a tragedy.
