

## Helen Harriet Dago

September 7, 1915 - December 9, 2011

Helen Harriet Electra Williams Dago (Barriero), a life-long resident of Hudson, passed away December 9th, 2011 at Albany Medical Center. She was born on September 7th, 1915 to Florence Whitbeck Williams and Arthur Williams of Hudson.

She is survived by two daughters, a step-son, 6 grandchildren, 4 step-grandchildren, 8 great-grandchildren, 4 step great-grandchildren, 3 great-great-grandchildren, and many cousins and friends. She was predeceased by her husband of 27 years, Andrew Dago, her second husband of 6 years Jose Barriero, and two great-grandchildren.

Along with caring for and being in the company of her family Helen got great joy from every facet of nature, from identifying a particular bird to gardening inside, outside or wherever there was a seed to be planted. One place was central to her heart, Olana Historic Site, where she was on the first Board of Directors, founder of their gift shop, and a docent for many years. Helen was a soft-spoken woman who carried herself with a dignity and grace that was noticed and admired by everyone. She was a brilliant flower in our garden who will be greatly missed and forever loved.

A celebration of her life will take place on Tuesday, December 27th, at 1pm at Bates and Anderson Funeral Home in Hudson, NY. Though she loved flowers,

it was her wish that expressions of sympathy be made as donations to the Olana Partnership.
