“ *Dear Randy, Scott, Nikki, and Aunt Sandi,*

I was so saddened to learn of Uncle Hank's passing. I understand the last few years were difficult for him, and wish him eternal peace, but also know that one can never truly prepare for the loss of a loved one no matter the circumstances.

Please know, that while I cannot be there in person today, I am with you in spirit. Some of my fondest childhood memories are of playing with my cousins at the family barbecues Uncle Hank and Aunt Sandi would host.

While years and miles have come between us, know that I hold a special place in my heart for all of you.

Love,

Your cousin, Lynn (Rivenburg) Magryta (also Ed and Julie)
