“ Dear Donna, I wish distance didn't make it impossible to be there for you as you were there for us when we lost Chris and Jen. You were so helpful and always there for us. I wish we could return the favor. Hugh was an exceptional person with a world class smile.

“ Dear Donna and family,
Denny and I wish to express our deepest condolences to you. Donna, I remember how he told you to come golfing with the girls as he was feeling much better. Little did we know what the future held!
When life hits us fast and hard like this with such unimaginable losses we are in disbelief. May God grant you comfort at this difficult time.
Donna, your "Florida Family" misses you and feels so much compassion and sympathy for you and the family.
Love, Dara and Denny

“ To Patti and the entire Klose family, I am sorry to learn of Mr. Klose's passing. Although it was many years ago, I remember seeing Mr. Klose at the Hudson High tennis courts or when I'd stop by their house in Claverack to see my tennis friend Patti. He was always friendly and welcoming. Just a good guy. Thoughts are with all of you. Mike Koenig, HHS '86.

“ Donna and family;
I knew Hugh for only a short time but felt like I knew him forever. It was always a treat for me to enjoy his cordiality and discussions --- whether it be playing trivia with you, Hugh, and friends - having fun in the square - or just sitting and watching and sharing Yankee stories. He will be missed but his memories are eternal.
With everlasting peace, Paul Westfall
