“ Bonnie,
My friend Karen just found this for me. One of the things I regret most is that we have not remained close. You were so good to me when I was little and you know I loved. your parents as much as my own. My dad is in hospice right now and the time is drawing near when they will all be together again along with my son Billy who passed at the age of 22 in Jan of 2012. I hope you are happy. My husband and Steven had a great time with your mom right before we moved to SC in 2006. If you would like to get in touch you can find me on FB at Wendy Nobile Fuess. Much love to you your husband, Melissa and Cam. Wendy

“ Bonnie I always will remember the beautiful woman your mom was. I spent a lot of time at your home on Robinson street when I was a child . May she rest in piece and may all the wonderful memories of her bring your family comfort. Love and Prayers Martha LaBarge (Jennings)

“ Dear Bonnie, Paul and Cam,
My deepest sympathy on the loss of your beloved Mom and Gram. I
am so happy to have known her, albeit briefly; we had a good thing
going there in 319! She was sharp witted and kept a good sense of
humor in spite of her pain and she brightened my day.
Thoughts are with you,
