“ I worked with Irene, for a small while, as a music teacher. She was always very knowledgeable, beautifully put together, and had the most up-lifting spirit and smile. She is lighting up heaven now. Condolences to her family.

“ Irene was a loving and caring woman who always wore a smile. She loved the Bible studies that Pastor Hodges would bring to her and other members of the complex. She always loved getting hugs and kisses and she absolutely **ADORED** little children who made her day extra special! You will be missed Irene for sure!! God bless you always.
