

Jack Darragh

December 30, 1944 - August 24, 2023

On August 24, 2023..my beloved husband Jack of 49 years 8 months & 4 days left this world to go on to his next Great Adventure..

Our family rock, Jack was the consummate father to our 8 children, his and mine. Forgetting who belonged to whom, he was the best example to each and everyone of them.. And right on down the line to our 20 Grandchildren, and 24 Great-Grandchildren.

His love of Nature and the outdoors made him an inspirational mentor to our youngins, not to mention supplementing our dinner table with Mother Natures Bounty..

Jack worked in the Marine Industry retiring from Freeport Marine in 1999.

His lifetime of acquired fishing and boating knowledge, made him the sought after sales person at the center of a crowd teaching them the tricks of fish finders, radars, depth finders, and all other such complex equipment..

After retiring and moving to Claverack, NY he had the chance to prefect his second two loves, hunting and cooking. Providing family, and sharing with friends, his delicious wares. Every year at Thanksgiving the kids would ask, “when are you going to start baking your Christmas Cookies PopPop?”

Jack was a member of the Bruce Madlem Hunt Club and leaves behind many dear friends made over the years. As well as his wife Mary Darragh, children, Christine Bernstein, Connie Buell, Doyle Philipson, Michael Philipson, Becky Philipson Malendes, and Edward “Petie” Price, their spouses & children. Also his sister Joan Darragh and brother Jim Darragh.

“Once in a while, in the middle of an ordinary life..Love gives us a fairy tale”
You will be so missed my darlin’.
