“ *Our sincere condolences to all of the Zeger's family. Unfortunately just found out about Jim's passing, and to say the least very sad. I knew Jim quite well when living in Stuyvesant, he was the pastor of St Mary's. I haven't seen Jim in all these years past, but often thought about him. I knew him as a very charismatic priest, warm, friendly and compassionate person. I considered him the perfect priest. His homilies were always wonderful. I just cannot say enough about him. He will be missed terribly I am sure.*

God Bless the Zeger family, for it was wonderful to know him. I will always have him in my prayers.

“ My deepest sympathy to all of the Zeger's family. Even though I haven't seen Jim in over 25 years, he will always have a spot in my heart.

He was part of our little charismatic group! He was our mentor, teacher, friend and so much more.

He listened to me and encouraged me to return to our church.

Before that I hadn't gone to church for over 20 years.

I must say his sermons were heart touching and uplifting.

When our group would gather he was always there. Full of love and laughter. He would sing and praise the Lord with us, which was so beautiful and peaceful.

When I had heard he was leaving the priesthood to marry, I couldn't of been any happier for him. And knew God had blessed.

From time to time he would pop into my mind and a smile would come across my face.

I know he's in Gods arms. God took him home.

My heart breaks for all who knew him and most of all his family.

I pray God gives you all peace and covers you with his blanket of love

“ So sorry to hear about Jim. He was a very important part of my wife Diane & my faith journey. He ministered to my mother while she was dying at Memorial hospital. He became an integral part of our faith journey until we moved to San Diego. We will never forget Jim Zegers. Our profound condolences to his family. Deacon Len & Diane Vaillancourt
