

Janet Mae Singler

November 16, 1949 - July 4, 2022

Janet Mae Singler born November 16, 1949 in Hudson NY and passed peacefully July 4, 2022 In Albany NY. She is survived by her husband Joseph Singler, children Al (Rebecca) Schulze, Kim (Kevin) Harman, April Wagoner, Philip (Amy) Salvatore, grandchildren Maria, Julia, Alan Mykal, Nathaniel, Sebastian, Owen, brothers Raymond(Deborah), William (Judy) Bender and their families. She is predeceased by her parents Albert and Loretta Bender. She was a graduate of Germantown Central and from CGCC with an Associates Degree in Psychology. She attended the Livingston Memorial Church where she was a member of the women's guild and was also a member in The Piecemaker's of Cairo quilting guild.

Janet had a helping heart, she worked with the Teen Parents program that gave young parents help and advise with new children. Later she drove school busses for children with special needs. She was always offering and planning help whenever she could. If she wasn't able to help you herself, she would search until she found someone who could help. She was so helpful she even made deviled eggs to bring to her own surprise birthday party without knowing that's why she was making them.

Janet enjoyed working in her yard, planting flowers, tending vegetables, and sharing the plants she had along with the harvests she gathered. She was highly creative painting on anything that stayed still for too long, but her favorite canvasses were slate tiles. She expanded her creativity into quilting where she could share her warmth in colorful quilts to wrap up in.

The services will be held at Bates & Anderson July 11, 2022 5-7PM. The burial will be private, but we invite you to come have a celebration BBQ with the family Sunday August 7th at Palatine Park in Germantown. In lieu of flowers please consider donating to AMC Trauma ICU or the Center for Donation & Transplant. These teams have been amazing and were an incredible asset in fulfilling Janet's last helping wish to be an organ donor. Contact her daughter Kim for information on how to donate.

“ My thoughts and prayers are with you. Your mom was a very kind sole. Always a smile no matter how difficult things were. I guess I didn't realize she was a Bender. My condolences to the whole family. Losing a love one is tough (just lost my mom a week ago). Memories will always be with you.

“ Janet was the most kind hearted, giving, loving and caring individual. She loved and cared for my father like no other. She was with him essentially from beginning to literally his last breath. I cannot express my gratitude for Janet there are no words. Although I have not seen Janet in years we did communicate via FB and talked about getting together. Any time I spoke or texted Janet I always said I love you!! To her family my condolences and prayers, my thoughts are with you all!! Rest In Peace Janet I love you. Take care of my daddy, give him a big hug and kiss.
