“ Dear Bruce, Brian and Debbie, We are saddened to learn of your Mom's death - but how she was loved! We were happy to have known her for so many years when she and your father lived in our Stottville house. They were friendly and good neighbors and we always got a laugh from Jennie when we saw her. The first time I met your mother she was vacuuming the sofa cushions - with an upright vacuum! That pretty much explains what kind of tenant she was! We were lucky to have them. Cherish your memories, and you have our deepest sympathies.
