“ *Held close to my heart, memories of Mr. Jim Williams. He was my friend. He had an exquisite broken angel of a daughter named Peggy. When friendship and loyalty were hard to find, Mr. Williams stood resolutely beside her. For this I am, forever, grateful.*  
*Shakespeare: O, what a fall was there my countrymen! Then I, and you, and all of us fell down ... Here was a Caesar! When come such another? Never.*
