“ Jolene, Kenny and Steve; So sorry to hear about the passing of your dad... He was a good man. I use to see him all the time because you guys lived across the street from John L. Edwards where I use to play basketball all the time especially in the early to mid 70's. Those were wonderful times and I always remember little Kenny always wanting to play with me. Every now and then I'd let him score a basket against me and to this day I still every now and then think about those wonderful times. Just wanted you to know that I was thinking about you and hope you all are healthy and happy...

“ *I knew Joel for many years, the first time I saw him he was leaning in my boyfriends window to hand him a ticket...LOL, then gave him a lecture on how bald tires could kill us. He probably saved many teenagers that way, although at the time, we were not so happy.*

God gained another angel this week. I'm sure he will be up there directing the traffic, and watching over his family.

*I am sorry for you loss. Sending many hugs. to you all.

“ *In memory of a wonderful husband, father, grandfather and peacekeeper as one of our very own men in Blue per the Hudson City Police Department! There is not a time in my life that the Hollenbeck family and Mr. H have not been there. His life-long friendship has meant so much to my entire family and especially to my parents who are extremely saddened per his passing. Godspeed Joel and may his family find solace and comfort in knowing that they provided the love and care needed most in his darkest hours per his Alzheimer's Disease! Sympathies and Prayers to the entire Hollenbeck family and their extended family members!*

“ I met Joel through my late mother in law Ethyl Bost in the late 70's. He and his wife Gloria were two of her favorite people. She saw Joel daily as he came and went from the police station and I remember many laughs between them. I extend my sympathy to his family and friends at this difficult time and I pray that you find some comfort in all your love filled memories. May he enjoy Paradise.
