Dear Arlene & Family

We are so sorry to hear about the passing of John, for it was only a couple of weeks ago that we spoke to both of you. As you know each life is a miracle that changes the world and leaves it a better place than it was before. Honoring the life of someone very special who will always be remembered. If I've learned anything down through the years, it's that nothing beautiful in this world is ever really lost, that those we cherish will always live on in memory.

Always,

Edward, Antoinette, Edward jr
