“ I feel terrible posting this so late but I hadn't been in touch with John for quite some time after I moved away so I just found out about this while seeing if I could get in touch with him. I worked with John a few summers at Brookwood and he quickly became my mentor and friend. I can't find the words to describe what an amazing person he was. To this day I still can't think of John without a smile coming to my face and the need to tell one of his goofy jokes. You are truly missed my friend.

“ Regina and family,

Seems like yesterday that John and I were teenagers growing up in Hudson.

Hard to believe that almost 50 years have passed. Our summers playing basketball

at John L. Edwards and as teammates on the Hudson High basketball team are some

of my happiest childhood memories. I remember John as just a really good guy.

Always happy with a real zest for life. I am so happy to see that he lived a full and

happy life and left a real legacy. Rest In Peace John, you did your job on this earth!
