“ Condolences to the family. I had the good fortune of working alongside of John over the years both in and out of the Elk’s family. He was one of the finest gentlemen I have encountered both in and out of organization. A true asset to the Columbia County Community and certainly his family. A rare human being.

“ John Qualtieri (my Uncle John) set a great example for us all. He was a kind, gentle, generous soul. He put his family before all else, showing his great love for them. He was a selfless member of the Hudson community, always helping others. I’m so lucky he was my uncle. I will miss him dearly. P.S. I promise to continue his NY Yankee fandom, in his honor! ❤️
