“ Dear Pat & Family,

I am so sorry hearing of the passing of Jack, he was a wonderful man. From someone who has also recently lost a spouse I understand it is time to grieve.

You have been married to him for over 50 years, and what a wonderful thing that is.

He knew you loved him and cared for him. Just as you know he loved you and cared for you. I believe he does not want you to suffer, but rather reflect on all the wonderful times you had together all these years, and say, What a Good Life we had !

God bless
