

## Joseph J. Zullo

April 9, 1937 - April 12, 2021

It is with great sadness that we announce the passing of Joseph J. Zullo on April 12, 2021. Born to Joseph and Molly (Althizer) Zullo on April 9, 1937 in the house his father built in 1927. Joe graduated from Roe Jan High School Class of 1955. He worked hard his entire life, first on the farm, then he had his own building/contractor business, building most notably the Four Brothers Restaurants and Tickets in Amenia. Joe lived in Ancram, Millerton and East Taghkanic before moving back to his house in Hillsdale. He loved his family, especially his grandchildren and two special great grandsons Frankie and Joey Campbell, and their mother Amy. Joe loved NASCAR and racing cars at Lebanon Valley. Always moving, never idle, Joe loved vegetable gardening, especially tomatoes. He loved his tomato and mayo sandwiches (garden only), Brisk Iced Tea, and ice cream every night before bed. His kindness and gentle heart will be missed, along with his corny jokes, and old stories of his life. Joe leaves to cherish his memory forever, his companion of 26 years Bobbie Snyder, two daughters Tammy (Zullo) Reginek and Cynthia Zullo, three step daughters Michelle Snyder, Sharon Cole, and Bunny Durant, stepson Mike Engles, sisters Christina and Eleanor, grandson Ryan Campbell, along with grandchildren, great grandchildren, great great grandchildren, and many nieces and nephews. In addition to his parents, Joe was predeceased by his brother John, and four half siblings, along with his stepdaughter Cynthia Snyder, stepson and Vietnam Veteran Brady, grandson Frank Campbell, great grandson Anthony Campbell, a niece and a nephew. To honor Joe's wishes,

there will be no viewing, and services will be private. Memorial contributions in Joe's name may be made to the Kidney Foundation or a charity of your choice.

“ *Dear Joe,*  
*I'm so proud to have known you. Whenever your name was mentioned, it was always followed by comments of what a good man, and what a hard worker. You were a little older than my dad, but of his era, and he always held you in high esteem. When later in life I would run into you at jobs where we worked together, me as a housekeeper, you as a builder of dreams (I will never forget Carter's China cabinet), it was so nice to chat and catch up with you. I treasure the jobs we shared and the people I've met because you recommended me. Though we haven't seen one another in years, whenever I spoke to cousin Bobby, I always asked how you were doing, and he would give me an update. You leave a huge hole in the fabric of our time, there was no one like you. It's sad that your not with us any longer, but comforting that your at peace. My heart goes out to your family in their time of loss.*
