“ My condolences to the Sweet family. I had worked at Pine Haven for several  
years in the Activities department; where I was able to get to know Joyce. We had  
many nice conversations and some good laughs. We spoke mainly of her family  
and the many photos that adorned her room. She loved her children and  
grandchildren. I remember her interest in this scary sci-fi show with vampires. I  
told her she would never convince me to watch it. Joyce always had a smile,  
pleasant hello or kind words with me regardless of how she was feeling. Rest  
easy Joyce. <3 Brenda Albright

“ I helped take care of Joyce at Pine Haven, we became friends who always  
enjoyed a good laugh. Joyce and I loved the old comedians, and I used to bring  
in my collection of the Marx Brothers movies for her to enjoy. We used to call  
each other "Groucho" & "Chico". She was a wonderful lady who definitely lifted  
my spirits on many occasions. I love you Joycey, RIP sweetie! My sincere  
condolences to the Sweet family, I'm sorry for your loss! :-)
