“ I had the pleasure of working with Kathy for many years at the Adventist Nursing Home. My memories of Kathy are of her kind and gentle presence and her cheerful and sunny disposition. She had a ready smile for everyone and was the definition of a caring and compassionate human being. All of the residents loved her. You have my heartfelt condolences. Sincerely, Bernice Widjeskog

“ *There are so many memories of Kathy. She is always in our hearts. Kathy loved her Son's & her Grandchildren, she was a very very good Mother & grandmother as well as a great Grandmother. Donnie & I love Kathy so much. She loved Country line Dancing, we did that for over four years, she loved watching the Olympic Ice Skater's. She loved Wheel of Fortune & Jeopardy. There is a emptiness in our lives which will not ever be filled untill we meet again in Heaven. Love Donnie & Gail*
