“ Ken and Margaret were a joy. Margaret was my Cub Scout den mother in the sixties and Ken was often around during meetings. I went to school with their son David. Decades later, they were among the small group that went out to dinner every Saturday including my parents Barbara and Jerry Oles. They were smart funny people and I always enjoyed visiting with them. My condolences to the entire family.

“ My family and I have known Ken (and Margaret) for several years. Due to my job, I had the privilege of seeing Ken every day. We have shared a lot of good talks and laughter over the years and certainly count his friendship as a blessing. (Lent and Holt Family). ”

“ Ken always had a smile and was always happy .. and could crack a joke .. the last memory I have is that the lights went out and they were eating dinner at Ghent and everyone was carrying on and he asked me what's going on.. I said the lights went out and everyone is upset .. he says my lights are always out and I'm not upset .. tell them to relax .. I laughed !! I'll miss him and his whit.. ”
