“ *My sincere condolences to all of Larry's family, particularly Bobbie - a very special and remarkable woman.*

I know Larry since 1980 when we purchased Bucci's Restaurant in Hudson. It would take an entire book "My Adventures with Larry" to elaborate on the joy he brought to my life!

I will say this, whatever stories Larry told that trace back to me, (perhaps with some embellishment) are fundamentally 100% accurate!

The past few years we spoke on the phone weekly.

Larry will always have my love, respect and thanks for being upfront, honest and brining so much joy to my life. Needless to say I shall dearly miss Larry.

Rest in Peace my friend!

“ Spent 13 yrs. at St. Mary's school with Larry. Kindergarten through graduation. I worked for awhile with his father and him at Walker Electric. He was quite the storyteller. I last saw him a year ago June when I was up there for my wife's mother's burial. Spent 2 hours with him. I had Michael, one of my five sons with me. He got a kick out of Larry He was in great spirits, and he was still quite the storyteller. Our prayers and condolences to Bobbi and Larry's family. God bless you all.

“ Larry was my FTO my very first day on the job. Never had a day I regretted working with him. I hope he can now have a toast with "Clancy" for all of us still here.
