“ Lenny, it has been a true privilege and pleasure to know you. I have enjoyed your stories tremendously and would never tire of hearing you tell them. Your common sense and sense of humor were boundless and endlessly refreshing. Your knowledge and talent as a mechanic garnered my respect from the moment we met, and your generosity and willingness to help garnered my sincere gratitude. I always appreciated the lovely home you and Dolly created and sustained together, along with the Italian hospitality consistently shown by you both. I can honestly say that I will always remember you, and that the memories will always bring a smile to my face. Thank you, Lenny. Rest in peace.
