

Linda Genito

March 29, 1948 - December 16, 2024

Linda Genito, a beloved mother, grandmother, great-grandmother, and friend, passed away peacefully at her home on Monday, December 16, 2024, surrounded by her loving family. Known for her kindness, compassion, and love of animals, Linda brought joy to all who knew her.

She shared many happy years with her husband, Ronald Genito, on their family farm, where they raised their children alongside geese, cows, and one famously plump sheep named Babette. The farm was a place of love and cherished memories for her family.

Linda held the comforting belief that cardinals were angels visiting from heaven, a reflection of her faith and her enduring connection with loved ones who had passed.

She was predeceased by her husband Ronald, her parents Harold and Genevieve, her brother Michael, and many beloved pets who now await her at the Rainbow Bridge. She is survived by her children, Nicky Genito (Dennis) and Tammy Genito, her grandchildren Frank Genito, Denise Waterhouse Dellea (Brad), Elizabeth Bray (Zach), Victoria Bray (Justice), and Alexandria Bray, and her great-grandchildren Enzo and Mason.

Linda also leaves behind many siblings and relatives who were dear to her heart. Her love for family and animals, paired with her generous spirit, made her a source of strength and inspiration to all who knew her.

In lieu of flowers, the family kindly requests donations be made to St. Jude's Children's Hospital, a cause close to Linda's heart.

Linda's memory will live on in the hearts of all who loved her."
