Please accept my deepest sympathy on the loss of your mother. Losing a parent is a loss you feel for the rest of your life. I hope time and the good memories of your mother will make each day a little easier. Cherish those good times you had together as a family.

“ Our family gets smaller and smaller as the years go on. Lois and Nettie were right there when Aunt Mickey needed them, opening their home and adapting for her needs. I remember huge family gatherings at the house, and loving a chance to visit my cousins in Hudson -- Donna, Becky, Peter, Jeff -- and then Holly. Let's all remember the good, and also remember that life is too short. We need to treasure one another in life, and then miss each other like crazy when we lose someone. Thank you Donna for making it possible for me to say good-bye. You know we can't be there with you in person, but we love you all and are sending prayers and comforting thoughts to you from here on Long Island. Holly, Donna, and Becky -- we love you all very much. Much, much, love - Cousin Lori and family
