“ We lived in Stottville for several years when Lonnie and my oldest son, Kevin used to hang around together. Just a teenager then, he visited our house often and he was always polite, funny and handsome..if the posts I've read are any indication, he grew up to be a fine man. So sad....and unjust that he's been taken from those who love him here on earth. My sincere condolences to the family and friends that he has left behind, grieving his loss.
