“ My condolences to the family. I will never forget the good times we had from jr. high and high school....connected again about 15 years ago and we just picked up from where we left off.... She made me the most beautiful memory book from her visit with us in Texas. She will be missed.

“ My condolences to Jim and the family. She will be greatly missed. I really enjoyed spending time with her. She taught me how to make paper flowers. Or we would just sit in the back yard drinking coffee. I'm sorry I won't be able to make her service. My thoughts and prayers are with you all.
