“ Condolences to the Friss family and John Frentino and his family. When I was around 4 years old my Mom and Dad rented the top floor apartment above the soda fountain. Going there with a very big deal to me as Kid. I remember Lucille being there, very pretty with a kind heart and smile I could sense even then she was genuine and had a love for life. I'm 70 and appreciate meeting someone like Lucille because it doesn't happen very often in a lifetime. I'm sure she'll be at peace in heaven.

“ Heartfelt condolences to Lucilles loving family and friends. She was a lovely lady with a childlike charm and a beautiful smile who devoted herself to her family. She and Charlie were like peas and carrots and I'm sure they are happily holding hands again in Heaven. Rest in peace Lucille and give our regards to Charlie.

*I remember her, her mom, her dad and brother John.  
They were exceptionally nice people and loved their soda fountain. Left for DC when 18 but have had many thoughts of Lucille’s pretty and smiling face.*
