“ *To the family-I am sorry for your loss. Lucy will be missed by those of us who gathered for lunch occasionally. She was such an upbeat person determined to make the most of every day, offering to help another friend of mine who also suffered a lung illness. She was a joy to know. With sympathy-Joyce Pratt*

“ *RIP dear Lucy. Thoughts and prayer are with Tes, Ken, Al, Diana, and Michael & their families. So sorry for your loss. I can't believe it. She made loads of laughing good memories. She was a GREAT person, and I am so lucky to have had her as a friend. But, she is not suffering now, and at her peaceful rest. We have so many happy & fond memories. We just never knew what Lucy would do, she was sure the life of any party or gathering. As sick as she may have been, she still kept us laughing. SO SORRY.....Kay*
