“*“Share a memory”... An insufficient prompt to me for a man that was a friend of the family and one of my earliest memories upon arriving in Columbia County. Even after moving to Hillsdale, we were always engaged with the Mossman family. Pearl, Kim and Darryl. I have dozens of stories. Lyle was always a humorous delight. That is how I want to remember him. Best regards and sympathy to the surviving family.*

“*Very sorry to hear of Lyle's passing. Along with most of the other boys that grew up in Philmont, I worked for Lyle at the Philmont Grand Union. I have many fond memories of those times. We went in early every Tuesday morning (before school started) to unload the truck of groceries that were delivered to the store. Lyle would keep us till the very last minute before dumping us into his or someone else's car, and then race us to school so we wouldn't be late. We had some very "fun" rides across the Mellinville flats. Lyle would always swear because we were going to be late for school and he didn't want to be the cause. After school we would go back the Grand Union and unpack boxes and put the groceries on the store shelves. We would stay until all the groceries were put up and the floors were swept. Best, most fun job I ever had. We will all miss him. Rest in peace "Moses".... Rich Braunfels OCS class of 1967*

“ Pearl, sorry to hear of Lyle's passing. We had some fun times playing softball for Joe's Bar and the many late night gatherings at Joe's after games, especially after winning Championships and the Cold Duck flowing freely. Lyle was a fun person to be around and always had a smile on his face.

Again sorry for your loss.

“ *When I was in High School I worked at Palen's Store in Philmont; the best place to be at the time. Lyle was a frequent visitor and many times visiting on Saturday with others from the Rescue Squad and Fire Dept. Lyle was always fun, kind, and a bit mischievous when he could be. I remember him at the Grand Union! An outstanding community member and human being. RIP Lyle. Condolences to your family!*

“ *Condolences to the Mossman family. Kim, I have fond memories of your dad going back 50 years. My mom and I and my two little boys would shop Grand Union faithfully every Wednesday. Your dad looked forward to seeing the little guys as they also looked forward to seeing him. One of them is Tom and he is taking care of your dad now. Your dad always had a sweet word for them. Thinking of you during this dad time. Kathy Bucholsky.*
