“ My deepest sympathy goes out to all of Chardo's family and friends. I knew him from Planet Fitness. We shared an inside joke about the crazy things I do at my age (above retirement age). I loved to see the laughter in his eyes when I'd tell him about my goals. He was always careful to encourage me enough to keep trying without pushing me too hard. During training, he was very solicitous, making sure I didn't push hard enough to hurt myself. He was a very kind young man who had a lot going for him. I will miss him.

“ I knew Chardo from Planet Fitness. Over the years we shared bits and pieces about our lives. He always had a huge smile and kind words to offer. I was happy to learn a couple of years ago that he has Jamaican heritage somewhere in his background. I had fully intended to share a meal of jerk chicken and rice and peas with him, but somehow never found the time. I only wish I had gotten to know him better. As with the old saying, time waits for no one. My sincere condolences to his family on their loss. We've all lost a bright light.

“ Chardo was an amazing human ❤️ , I grew up with him. met him the 8th grade and He we was always the person that could make anyone smile even on their worst day , about two years ago I had no vehicle and was walking from Catskill all the way to palenville where I had lived , Chardo stopped in the middle of traffic and insisted he gave me a ride home cause we were buddies and it wasn't safe to walk on a busy road like that , I'll never forget your kindness brother. “ I met Chardo at Planet Fitness a few months ago. As a senior citizen, he took the time to work with me on the different pieces of equipment. What a kind, wonderful young man he was. I am praying that God will comfort you during this difficult time.

“ Sending my love and prayers to Chardo’s family & friends. He was a special young man with an ability to sincerely care for others. While he helped me through my fitness journey, he was also a friend with a very kind soul. If you ever saw his smile, you’d agree he was magnetic. I introduced Chardo to my son Julian (at the gym) and they hit it off. Being the same age and like minded, with a passion for weightlifting. I enjoyed working out with Chardo because it was like having my son with me. He spoke of his mom often, explaining he was also coaching her, which I loved about him. He was proud of her progress. So it brings immense pain in my heart for her loss. And knowing I’ll never see this amazing young man again is heartbreaking. He will be missed and never forgotten! 🙏💕
My deepest condolences to his mom, dad & sis.
