“Peggy was a major force in the AARP Tax Aide program. She had many devoted clients who wanted "Peggy to do my taxes". She was my mentor and talked me into taking over the coordinator role telling me it was "easy", maybe for her. On the computer help line in India she was famous for her tenacity.

She loved her nieces "the girls" and their family.

I will miss her.

“Peggy was very special, and as long as memory serves me I'll think of her. Her genuine interest in people, her warm, friendly and compassionate personality, and her gift for gab made her so special. Her volunteer work speaks for itself. She would be successful at whatever she did. Heartfelt condolences to the family.
