“ Oh Margaret I am so sad to learn of your passing. You were such a genuinely sweet lady who was always so kind to us and our children. I wish time hadn't gone by so fast and we had seen you again. Rest in peace, Love the Armstrongs

“ Margaret, even though we didn't see each other much any more, I knew we were in each others heart. You were such a grand and special lady and was always so kind to me. I knew we would be good friends. I will miss all the booklets you sent me to get me through rough spots. Now you can watch over me from heaven and that comforts me. Rest in Peace dear friend.
