“ Sharon and family, my deepest sympathy to all of you, and am so sorry to hear of her passing. It has been many years since I have seen Marian, but my memories are so very vivid of us working together at the home for the Aged more years ago than I would like to admit. The fun and laughs that we had, Marian was a straight shooter, with a huge heart and I know how much you will miss her.

“ Marian was one of the best neighbors a person could have. She was always ready with a smile and had a wonderful sense of humor. Many a night I would come home from work and there would be a treat on my back steps. She was the best of cooks and loved to share what she had made. My deepest sympathy to you all - Ellen Van Hoesen
