

Marie M. Hindle

August 19, 1949 - December 19, 2024

Marie M. Hindle, 75 of Stottville, passed away on Thursday, December 19th, 2024 with her family by her side. She was born on August 19, 1949 in Hudson NY and was the only daughter of Joseph & Doris (Coons) Silcock.

After graduation from St. Mary's Academy in Hudson NY, Marie was a public servant most of her career retiring from Columbia County Department of Social Services after 25 years. She also served as the Court Clerk at Stockport Town Court for as many years.

But most important to her was her family who all called her MeMe. She married the love of her life, Doug, on December 12th, 1970. She loved casino trips, watching Perry Mason reruns & being at home with her husband; bingo trips & all of the conversations she had with her daughter accompanied by lots of black coffee; and being on the field for any sport her granddaughter was playing. Marie was also a most devoted daughter to her mother caring for her for over 20 years after her father's sudden passing in 1988. In her later years, you could most often find MeMe in her comfy chair watching the YES Network much to her husband's chagrin.

Left to forever love, remember and share stories about her are her adoring husband Doug with whom she just celebrated 54 years of marriage the previous week on Thursday, December 12, 2024, her daughter Toni (Evan) and her granddaughter Laney Altomer. She is survived by her brother Albert 'Butch' Silcock, his wife Arlene and many cousins. Marie is also survived by her two grandsons Brian and Joey Smith whom she loved & missed dearly.

Her family was small in size but certainly not in love, strength and laughter. Services to celebrate her life will be at a later date. If you would like to make a donation in her honor, her family requests donations be made to the Stottville Fire Department as we are all so grateful for their Emergency Services personnel. We would like to thank the amazing staff at Columbia Memorial Hospital especially Christine Byrnes, NP, who cared for MeMe like she was her own mother and always gave it to us straight & gave the best hugs. We also would like to thank all of the Wing 2 staff, the Physical Therapists, and Alice at Whittier Rehab & Nursing Center in Ghent who not only cared for MeMe tremendously but also cared for us as well during her stay.

“ I never had the honor of meeting you MeMe, but I know Toni. After reading the lovely tribute to your life and knowing what a fiercely loyal, protective and loving daughter Toni is, I feel I know you enough to say you were special to all who did know and love you. Toni, I'm so sorry you lost such a treasure from this earth. I'm sending you and your family my sympathy, love, and peace for the journey. May her memory be a blessing ~ Michele Marchese
