“ Marie was a childhood friend of mine in the "early years -and a very devoted member of the East Chatham Methodist Church family before she moved to the Hudson area. She was a great Sunday School teacher, and was involved as a leader of the Youth Fellowship Group. Have fond memories of such things as singing together in the junior Choir, and decorating the church for Children's Day program when we dropped a large container of flowers, and the water from it flooded the front platform of the church! I am sure that the good Lord has many rewards in store for her. Blessings to all of her family now and always.

*Sincerely, Dorothy Mackerer*
