“ Sending my sincere sympathy, I did my Margs hair for all but one year she was in the nursing home, she was my favorite and she knew it. She talked about all of you through the years , so very proud of all of you. She would call me at home when she was upset or something she thought would make me laugh, we laughed a lot! I have missed her this last year that I was retired, although I did see her last time I was visiting and got a hug! She was also so pleased that her granddaughter lives in her house! I will miss her , she was a good “ma” as I called her. Prayers to all love to all Linda Matthews
