

Mark A. Schiller

April 18, 1958 - March 10, 2020

Mark A. Schiller, 61, of Clermont, passed away peacefully in the care of The Pines at Catskill on March 10, 2020. He was born on April 18, 1958, the son of John and Patricia (Allan) Schiller. Mark graduated from Bloomfield High School before going on to SUNY Cobleskill where he met his wife, Cynthia. On September 26, 1981, he and Cynthia were married. Together, they raised two wonderful children. He attended Columbia Green Community College obtaining his degree in nursing.

Mark was a nurse at the Columbia Memorial Hospital prior to his retirement. He had a passion for providing care for each and every patient. He also served in multiple roles within the Clermont Fire Company, including the Chief, over the course of three decades of volunteer support. As a family member, he could be counted on to fly to your aid in time of emergency, share a conversation, tell a joke, or laugh to change the mood with his signature booming laugh. He was dedicated to service and could invariably turn the prospects of each situation into something positive. He and Cynthia loved to travel, especially to any place with sun and sand. He was an avid sports fan, loved to read, and enjoyed visits with family.

Mark is survived by his two children; Daniel Schiller and Matthew and his wife Emma Schiller, and his loving grandson Hudson Schiller. Also surviving is his father; John Schiller of Victor, NY. Mark is survived also by his two brothers;

Michael and John Schiller and his sister, Ellen Parshall; in addition to many nieces, nephews, and cousins.

Mark is predeceased by his wife, Cynthia Schiller and his mother, Patricia A. Schiller.

A funeral service will be held at 11:00 am on Friday, March 20, 2020 at Christ Lutheran Church Viewmont, 599 Church Avenue, Germantown. Burial will follow at Viewmont Cemetery. “ I am so sorry for your families loss. I worked with Mark at Columbia Memorial Hospital and was always very happy to have him in the operating room with me. He always had a smile on his face. I always laughed when he would put heavy metal music on...because I just never thought that he would be the type to listen to heavy-metal. He was kind to staff he was kind of patients and he was just a great great man. We will all feel this loss and the loss of his wonderful wife- who I also got to meet briefly. I'm sorry I didn't make it to the visitation but My thoughts are with you.

“ Sad news. Mark was a classmate of mine at Bloomfield many years ago. The clearest memories of him revolve around our shared experience on the soccer field. I see he carried the love of that game with him for a lifetime. He was a good guy and will be missed.
