“ We grieve for the loss of brother and brother in law. Our hearts are heavy, but words, words seem so inadequate to describe the loss. We grieve alongside family and friends, those who were closest to him, we wish you peace. Our prayers are with you, Mark. We pray that our good Lord has taken you into the palm of his hand and is lifting you into Heaven. We pray that you are rejoicing in His presence and that your soul is joyously claiming a life that is now free of the anguish, pain and afflictions of the body on earth. Though we will miss you, we pray that you are now, right at this moment, rejoining those who have passed on before. So, until we meet again, our prayers and thoughts are with you and those who loved and cared for you. Woody & Debbie
