“ I am so sorry to hear of Marla's passing. It has been many years since seeing her and other members of her family. My prayers are with the family, knowing that our Heavenly Father will bring comfort and strength to all. Special thoughts are with Myrtis and Ev (Wally), again it has been many years but I think of you often with fond memories of our days in Newburgh. May God bless you. - Harold Spellman (Saco, Maine)

“ My condolences to Marla's son, Jason and all of her family, One only had to spend a little time with Marla to know how much she loved her son and her family. Just a few weeks ago she shared with me in reference to Jason, "I am as proud as the NBC peacock, I am.". That was Marla. I had the good fortune of working with Marla in her role of care provider to "her girls" and her love and care was clearly seen there as well. It was important to her that they were well cared for and knew they had a place of belonging. She would stand and fight whenever needed and did a great momma bear impersonation. Marla also was involved in various extended activities and invested herself always, Whether it be making homemade sauce for the fundraiser for suicide awareness, baking holiday cakes, sending in Birthday cakes for the ladies, etc. We shared many good thoughts, rants and laughs. I will miss her much, but she certainly used all her time here to the fullest and left her imprint on many hearts. Rest now Marla.
