“ Dear Erika and family,

We will miss Marty! He was a wonderful man and so hard working. I enjoyed visiting with you, Marty and the boys at the farm over my summer vacation as a kid. I loved the sweet corn from the field (that Marty was so protective of against woodchucks.) It was also fun to catch catfish from the pond and I believe Marty helped me get my first fish off the hook because I didn't want to touch it lol.

I remember Marty giving my brother and me a tour of the cow barn and very patiently explaining the various equipment and process. It was a real life experience and better than many of my school field trips.

Ed and I enjoyed our visits with you and Marty at family events. Ed especially remembers having interesting conversations with Marty on various current events.

We will always remember Marty as a kind-hearted, family man and a friend to all who knew him.

With love always, cousin Agnes and Ed
