“ I am so very sorry to hear of the loss of Mary Anne. My heart goes out to all her family. Mary Anne and Steve lived next door and I always looked forward to seeing her out for a walk with her dogs and getting that chance to visit and our dogs getting the chance to visit too. She loved my dogs like they were her very own. She never came out of the house without a dog treat in her pocket! I remember times when she would be working outside in her garden singing a little loud because she had her ear buds in and later apologizing. That would make me laugh. I was so blessed to have her as my neighbor. My thoughts and prayers go out to Steve, Amanda, and the grandchildren. I pray for the repose of her soul!❤️🙏

“*Mary Anne had this laugh that my sister and I would look forward to. It was loud and attention-grabbing, inevitably bringing the room in to share her joy. I can remember sitting in the middle of a restaurant, and cracking up as kids because the whole restaurant was looking at us. I don't remember any of the jokes, just that loud, amazing laugh.*

I also remember when she and Steve drove down to Florida to help my family after a streak of difficulty. They helped us turn our house back into a home without a hint of hesitation.

I remember spaghetti dog dinners and frying blueberry muffins in butter. The best memories include planting flowers for the first time, or later, all-girls weekends at the beach. Even better, shots with the family and singing in the backyard.

Memories of my cousin are always of a protective and generous matriarch. Love you always, Mary Anne!
