“ *Mary was a very kind and gentle person. She became my friend during cat showing. When I eventually started breeding Chartreux, she and I even co-owned some cats for our programs. We often "benched" together at shows and she was always welcoming, friendly, and kind to everyone. A truly nice person all around. My sympathies to Steve and her family.*

“ My heart is broken. I just found out Mary was sick, and now she is gone. She was one of the kindest, most refined, and caring people I ever met. This world would be a better place if there were more like her. We have her to thank for three American Shorthair babies, the most memorable was our Bitty. He is gone now, and hope he finds Mary and they can spend some loving time together. Rest In Peace my beautiful friend.
