“ Jackie and Meg,
I am so sorry to hear about your moms passing. I have wonderful memories of hanging out on the porch on East Allen and your mom drilling us about our plans. :)

You both are in my thoughts.

“ Meg,

I pray that your mom had a peaceful journey to her new life. I am sure you have very fond memories of your mom to hold onto. I know I have sweet memories of her from East Allen Street, and from just running into her here and there locally. The last time I saw her she was with some of her girlfriends leaving Wunderbar. She was happy and proudly spoke of you, as she always did when I saw her.

Losing someone, no matter how much we are prepared, is never easy. Surround yourself with the love of family and friends. You will be in my prayers and heart.

Meg/Jacquie:

Words are hard to come by trying to express my feelings for your Mom. Aunt Mary Jane was a "classic" and one of my most favorite aunts. You never knew what she was going to say, but you knew it would always be memorable! Especially remembering when the family would get together and we would listen to all the "old stories". Visiting after midnight mass was a treat. Know she's really "shaking Heaven up". Our love to all, cousin Chuck and Sharon
