“ I was very sorry to learn of Maureen's passing. She was a classmate at Ockawamick Central School, and a very nice, kind person! I can still remember being invited by Maureen to go horseback riding at the farm and how much fun we had. My sincerest condolences to her family.

Oh I was heartbroken to hear of her passing. She and I hung out together a lot, doing animal/farm things. She even gave me a horse once. RIP dear friend.

“ We are so sorry for your loss. We have known all the Hess family for many years going back to my childhood (70 years). My family (The Byles) lived near their family farm and we as kids walked to the farm many times. Maureen was a close childhood friend. As time went by and we all grew up, we went our separate ways, but so many good memories were never forgotten. I remember Maureen and her family as if it were yesterday. Maureen, may you rest in peace.
