“ *Although time, distance and differences may have separated us, there was never a day we didn't love Melinda. There was never a day we doubted her love and loyalty to her son, Jason and his family. We talked and laughed, we were her "outlaws" after her split with Frank. We know that love never dies, we will meet again. We love you Melinda. Jason, we send you love and hugs and know how proud and thrilled she is with the man that you've become. Loving thoughts to you Jason, your family and your dad, Paul, Lisa, Michael and Aydde.*

“ *Jason and Family, I am truly sorry for your loss. Aunt Melinda(Lindy) was such a beautiful, warm, caring and compassionate soul. Always ready with a quick smile and a bubbly laugh. So full of fun. Even though in later years we weren't in touch, she was never far from my thoughts and always in my heart. She most certainly will be missed by all those who had the blessing to know her. May she rest in peace.*

“ I first meant Melinda at a family's wedding when family and friends had gathered in Broken Arrow OK. We shared a house and got to know each other. She was bubbly and fun, we easily became friends. As the years went by we stayed in touch and when her cousin and I parted ways she came alongside me for comfort and support. I've known 100's of people but few were as honest and caring as she. I loved to read her beautiful poems, they were even more meaningful while she battled cancer. I really miss her and look forward to seeing her in heaven.
