“ I recently heard of Mike's passing and want to offer my condolences. I went to high school with Mike in Somers, New York, and our paths crossed many times over the years. When I was enlisted in the Army I had to take a physical at West Point. A military police jeep tore down the road toward me and screeched to a halt by me. It was just Mike wanting to say hello. Years later we 2 Somers guys both worked for OPRHP at Agency Building 1 on the 16th floor. A good man gone too soon.

“ I just learned of Mike's passing, very sad that he has passed. While I only knew him for a short time, our friendship was memorable. Hours of working side by side made a sometimes difficult task much easier. His calm reasonable demeanor was a comfort. His dedication not only to his job, but to his family at the same time was inspiring. He was a fair and kind man. My thoughts and prayers are with the Daly family.

“ I was fortunate enough to get to know this man when I was very young. He was an awesome role model and a terrific father. I cannot express how sorry I am for your loss. I will never forget seeing him come home from work in his uniform. it was awe-inspiring. sweet and caring he always had a hug ready for you and a smile even when he wasn't feeling that great. the world has gotten a little dimmer without his light.

“ My heart is gladdened by the presence of your love in my life. I will be forever grateful that we met and conversed. Although you will be dearly missed, your extended family has your children and wife to visit with about your love. I am so glad you made it to the reunion, I am so glad I was able to hug you one more time. Love you and your family, Cousin Mike, love forever...deirdre

“ To the Daly family, Karen and I share our sympathies with you. We enjoyed church life with Mike and serving on consistory together. Mike was a good man that had a positive caring attitude. A good role model for others to follow. May you feel the comfort and support of family and friends during this time. God bless.
