“ Dear Mrs. Hendler, Kathleen and her husband Ronnie, Heidi and Suzanne, please accept my belated sympathies and prayers for your loss of Michael. I echo the words of my brothers how lucky we were to have shared the innocence of childhood with your family. If I close my eyes for a second I can recall many soft summer morningon hearing your Michael's voice calling from the window above "Mickey can you come out and play with me? Well time and distance took us are different ways well time and distance took us are different ways The memories of those years have always stayed with me

“ " So sorry to hear Michael had died " Hilda, Mrs. Handler, Lisa, Suzy, Kathy, my thoughts are with you ! Our families have always been connected. Neighbors next to 550 Warren Street and then Glenwood Blvd. I remember Michael as kids and he was just a nice guy. My sibilings, sibilings ? , my sister and my 3 brothers were matched in ages with the Hendler kids. Hilda was always a great friend to my mother. My brother Michael Nicholson was the same age as Michael Handler. So Mike you have a boyhood friend. From many years ago to show you around the backyard and "alley" up in Heaven. RIP !!
