“ I met Mike when I was 15. We became good friends even though I did not see him at the fireman’s home. He was a good friend, kind hearted would help me at the drop of a hat. I am the godmother to both of his children whom I love very much. Mike, I am sad that your life was cut short due to circumstances beyond your control. You will always hold a place in my heart forever. May you rest in the arms of Jesus and suffer no more. Love you Mike. My prayers, condolences and thoughts are with your family.

“ How could we forget merging all our kids in the pool at your house on Pine Avenue. I’ll never forget you driving me to Phelps Hospital in a driving snowstorm to see my Father the night before he passed. Rest in Peace Mike..... Frank L.
