“ I'm so sorry for your loss. I'm shocked, & heartbroken as I'm just seeing this. I was always so happy to see him at church or at the store for a little chat. I've known Mike for 50 years now and I have very fond memories of him, Anna & Gus. May he rest in peace together with them again. Sending prayers to all. 🙏🏻🙏🏻

“ Some losses are harder to accept than others. This loss of one of the best Officers I got to work along side with, is one of them. I had memories from our early days at Ulster CF and how we made the days pass with some smiles and good ways of sharing the shift. Mike worked B-2 and I had C-1, from time to time, one of us would call the other and pretend to be calling a Sergeant because of the phones not working, or the TV not being on the right channel. Rest in Peace Brother, you deserve nothing less..... Bob Johnston

“ He was more than a cousin to me. He was my best friend in school. I will never forget all the crazy things we did. Driving around in his Volkswagen Bug. Everytime I see one I think of him. I'm sure he'll be cruising in Heaven in one. Good riding my friend and dear cousin Rio!
